

REMARKS

Claims 2-20 are currently pending in the application. In an Office Action dated September 27, 2005 ("Office Action"), the Examiner rejected claims 2-20 under 35 U.S.C. § 101, rejected claim 2 under 35 U.S.C. § 102(e) as being anticipated by Peri, U.S. Patent No. 6,079,032, conditionally allowed claims 3-7, and allowed claims 7-20. Applicant's representative wishes to thank the Examiner for the allowance of claims 7-20 and the conditional allowance of claims 3-6. Applicants' representative has rewritten claim 2 to include the language of claim 3 and has cancelled claim 3, in the above amendment, as suggested by the Examiner.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,  
David Arthur Stephenson
